

C.O.P.S. Camp

Challenge, Overcome, Persevere, Succeed

The St. Charles City Parks & Recreation Department is pleased to announce our first C.O.P.S. Camp to be held July 11th – 15th for children ages 9 – 14. There will be a mandatory registration meeting June 26th at 6:00 PM in which both the child and the parent/guardian must attend.

This week long camp is designed to provide nearly 120 local children with the opportunity to learn about the duties of a police officer and fire fighter. The camp will also teach the importance of teamwork, form friendships, and give participants a positive experience.

The Camp is a joint project of the St. Charles City Ranger Division, the St. Charles Police Department, and the St. Charles Fire Department and is a multi-day experience that will expose participants to several exciting and challenging events. The majority of the activities will be physical in nature and take place outside.
