

# BEGINNER T-BALL & T-BALL PLUS PARENTS

Our Beginner and T-Ball Plus teams are recreational programs designed to continue developing your player's skills through team game play. We make it easy for parents and players to enjoy T-Ball. We will take care of the following:

- ✓ Organize team rosters with a maximum bench of 12 players
  - ✓ Provide game schedule and field assignment
  - ✓ Provide team equipment: bases, T-Stand, bats, batting helmets, balls
  - ✓ Provide team/player T-shirt for players
  - ✓ Provide 3 adult Volunteer Coaches T-Shirts to match players
  - ✓ Staff to set your field and break it down
  - ✓ Staff to facilitate game play and referee
  - ✓ Schedule team and individual photographs
  - ✓ Provide award medals for players for completion of program
  - ✓ Offer 1 hour practice field permits through Blanchette Administrative Offices
  - ✓ Provide rainout hotline for parents and players to check cancellations
- 
- Parents and players register EARLY! We will make every effort to place players on the same team/roster. Players registering after April 12, 2008 will be placed on rosters. Volunteer coaches are needed; if you are interested please be sure to indicate your interest upon registration.
