

**St. Charles Parks and Recreation Foundation  
Needs your help**

***Pave the Way to Motorcycle Safety***  
**MSF MOTORCYCLE SAFETY RANGE**  
**BRICK PAVER PROGRAM**

The Ranger Division of the City of St. Charles Parks and Recreation Department began the Motorcycle Safety Foundation program in 1996 with one class, and ten people. Since that time, the program has grown to 45 classes, and 550 people. Our mission is simple, to provide a basic knowledge of motorcycling using certified instructors, visual aids, and many hours of hands on training. **Remember, The More You Know, The Better It Gets.**

***BECOME PART OF A MSF MOTORCYCLE EXPERIENCE***

With the growing success of the Motorcycle Safety Program, a new, state of the art motorcycle range is in the works and you can be a part of it! Help ***Pave the Way to Motorcycle Safety*** and create a **new** facility that will be the best in the State if not the Country. Your donation of \$200 will be a lasting testimonial to the success of the program. Brick pavers will be placed around the range and will remain a reminder of your contribution and support of the program.

**For your donation of \$200, a 4"X 8" brick paver with 2 lines of engraving, 15 characters per line including letters, spaces and/or punctuation. All engraving is in upper case letters.**

**If ordering bricks, or to make a donation** – Please fill out the form below (please print clearly) and mail the form and your check to Chief Ranger Cordry 1900 West Randolph St., St. Charles MO 63301. **Make out check to St Charles Parks and Recreation Foundation.**
